

PST	Wednesday, February 22, 2023	Thursday, February 23, 2023	Friday, February 24, 2023	Saturday, February 25, 2023	
		Registration Open: 06:30 - 18:00	Registration Open: 06:30 - 18:00	Registration Open: 06:30 - 12:00	
		Exhibit Hall Open: 10:00 - 16:00	Exhibit Hall Open: 09:30 - 18:30	Exhibit Hall Open: 09:30 - 12:30	
6:30		Networking Breakfast 06:30 - 08:00	Networking Breakfast 06:30 - 08:00	Networking Breakfast 06:30 - 08:00	
6:45					
7:00					
7:15	Optimizing Testing Strategies: How to Leverage Liquid Biopsy Into the Diagnostic Algorithm for Metastatic NSCLC 07:00 - 08:00				Women in Thoracic Oncology and Career Development: Sponsorship in Academic Medicine 07:00 - 08:00
7:30					
7:45					
8:00					
8:15					
8:30		Session 1: Targeted Therapies - EGFR, HER2 and MET 08:15 - 09:55	Session 5: Locally Advanced NSCLC 08:15 - 09:45	Session 9: Therapy for Early Stage 08:15 - 09:45	
8:45					
9:00		Session 1: Debate 09:55 - 10:05	Session 5: Debate 09:45 - 09:55	Session 9: Debate 09:45 - 09:55	
9:15		Patient Advocate Talk 10:05 - 10:20			
9:30		Networking Break 10:20 - 10:45	Networking Break 09:55 - 10:30	Networking Break 09:55 - 10:30	
9:45					
10:00					
10:15					
10:30					
10:45			Best Fellows Oral Abstract Session 10:30 - 11:30		
11:00		Session 2: Targeted Therapies - ALK, ROS, RET, NTRK, NRG1 10:45 - 12:15		Session 10: Antibody Drug Conjugates 10:30 - 12:00	
11:15					
11:30					
11:45					
12:00		Session 2: Debate 12:15 - 12:25	Session 6: Mesothelioma/Thymic Carcinoma 11:30 - 13:00	Session 10: Debate 12:00 - 12:10	
12:15				Wrap Up and Close 12:10 - 12:15	
12:30					
12:45		Networking Lunch 12:25 - 13:30			
13:00			Session 6: Debate 13:00 - 13:10		
13:15					
13:30			Networking Lunch 13:10 - 14:15		
13:45					
14:00		Session 3: SCLC 13:30 - 15:10			
14:15			Session 7: Immunotherapy - Cellular Therapies & Biomarkers 14:15 - 15:35		
14:30					
14:45					
15:00	Registration Open: 15:00 - 20:30				
15:15		Session 3: Debate 15:10 - 15:20			
15:30		Networking Break 15:20 - 15:45	Session 7: Debate 15:35 - 15:45		
15:45	Facilitating Progress in the Treatment of SCLC How to Optimize the Use of Current Systemic Options and Accelerate the Clinical Transition of Investigational Approaches 15:45 - 16:45	Session 4: Targeted Therapies - KRAS, BRAF, New Targets 15:45 - 17:15	Networking Break 15:45 - 16:15		
16:00					
16:15					
16:30					
16:45			Session 8: Immunotherapy for Advanced NSCLC - Checkpoint Inhibitors 16:15 - 17:55		
17:00	Exhibit Hall Open: 17:00 - 18:30				
17:15		Session 4: Debate 17:15 - 17:25			
17:30	Opening Reception 17:30 - 18:30	Poster Viewing Reception 17:25 - 18:25			
17:45			Session 8: Debate 17:55 - 18:05		
18:00					
18:15					
18:30	Opening Dinner with Keynote Speaker 18:30 - 20:00	Refining Precision Decisions in NSCLC With Common and Less Common EGFR Mutations: Navigating Testing and Treatment Throughout the Disease Continuum 18:30 - 19:30	Peer Pressure: How Well Do You Know Your ADCs? Answers to Key Questions About Antibody-Drug Conjugates in NSCLC 18:30 - 19:30		
18:45					
19:00		Early Career Session for Fellows 18:45 - 21:00			
19:15					
19:30					
19:45					
20:00					
20:15					
20:30					
20:45					
21:00				Faculty Dinner (By Invite Only) 19:30 - 22:00	
21:15					
21:30					
21:45					
22:00
